NORTH MONTGOMERY HIGH SCHOOL NOVEMBER

NORTH MONTGOMERY PRESENTS THE MAN WHO CAME TO DINNER

North Montgomery High School presented its first comedy production, The Man Who Came to Dinner, November 16 & 17, under the direction of Diane Hoffman and Denise Booher.

The play takes place in a small Ohio town, Mesalia, where the famous radio personality, Sheridan Whiteside is making a visit. The action takes place after Whiteside slips on a piece of ice at the home of Mr. and Mrs. Ernest Stanley, prominent citizens of the Mesalia community. The ensuing action centers on the impact Whiteside makes on the Mesalia community and the lives of the people who live there.

Experience, inexperience, vitality and enthusiasm mixed to make the cast of The Man Who Came to Dinner just the right constituency for a good show and a good working atmosphere.

Auditions were held in

Journal

16 & 17, 1978 CRAWFORDSVILLE, INDIANA

September with several talented young people studying for roles.

Under the direction of students, Annette Parks and Pat Spencer, with faculty advisor Diane Sherfey, the makeup crew for The Man Who Came to Dinner worked hard at undoing Mother Nature. Attempting to age high school students years beyond their natural age is a difficult task.

However with the use of shadowing, highlighting and a lot of elbow grease, these makeup artists accomplished their goal.

Another helper is a 1978 graduate of NMHS, Christi Booher donated time and creativity in helping construct the set for The Man Who Came to Dinner, as well as assisting with the application of stage makeup.

Often in watching a presentation one fails to realize all those things behind the scenes which make it a success. During the showing of The Man Who Came to Dinner, one will find upon looking, Andy Karle is busily spurring his lighting crew of Lisa McLain, Ellen Funk and Rick Stephens, as they "shed a little light."

The 1978-1979 Office Education Association doubled its membership this past year and has been involved in numerous activities.

Our members participated in District contest held at North Montgomery. We had seventeen place winners and sent 18 to the State Leadership contest in April. At State Sheri Jackson placed in Shorthand II and was eligible for national competition held in Cincinnati, Ohio. We also held a Special Olympics Rock-A-Thon with the other county schools and raised over $600 to support our national O.E.A. project. Our club was also involved in fund raising projects used to defray our costs at conventions, banquets, etc.

The year has been a fun year as well as informative with our guest speakers from business and industry around Crawfordsville.

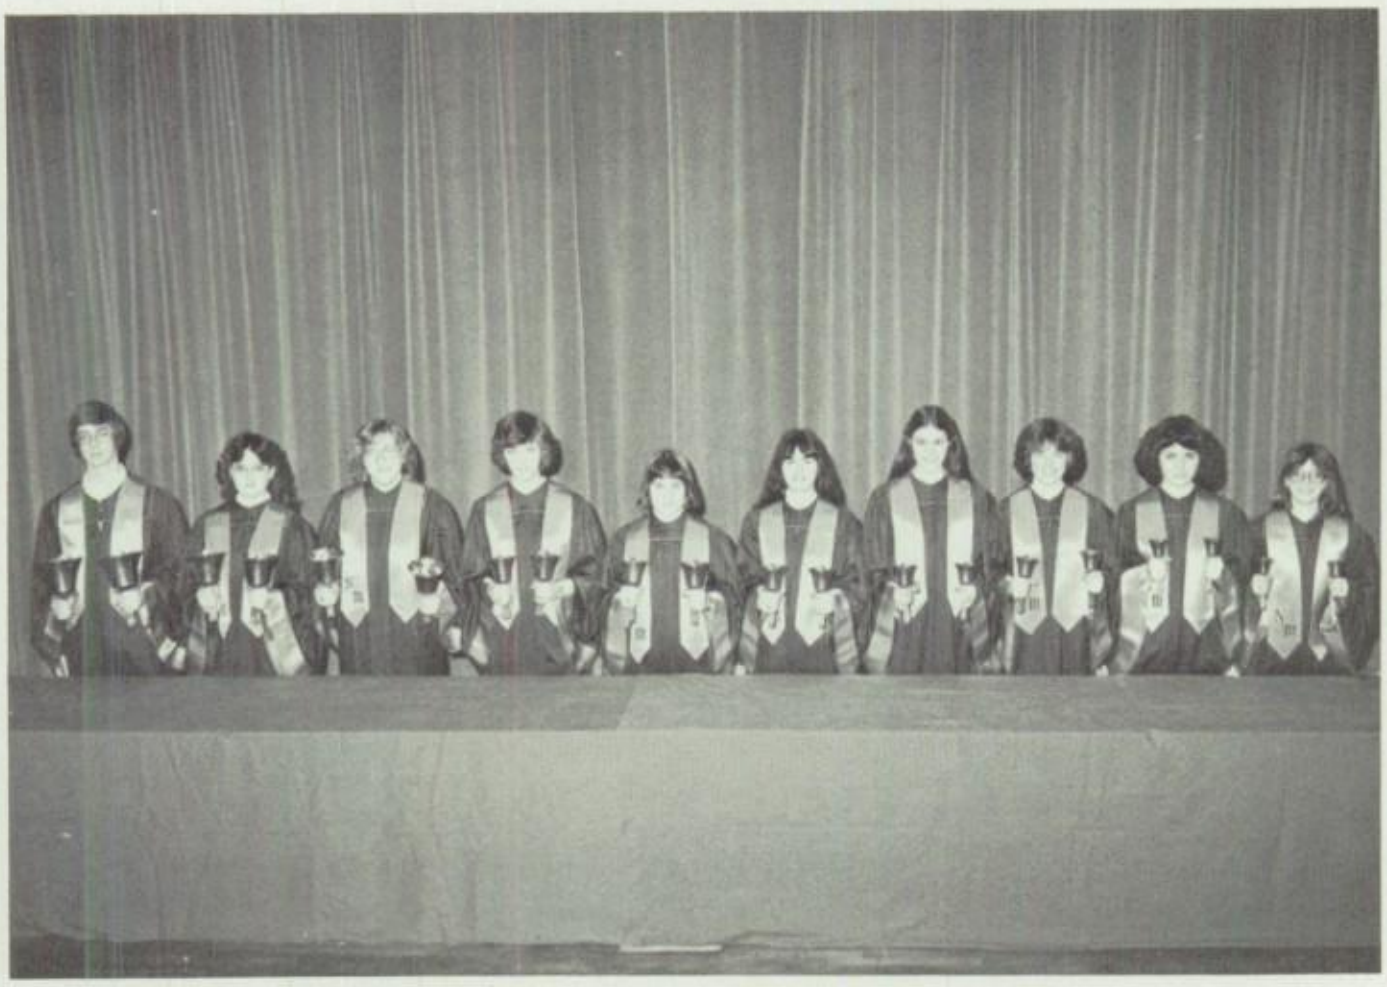
BELL CHOIR



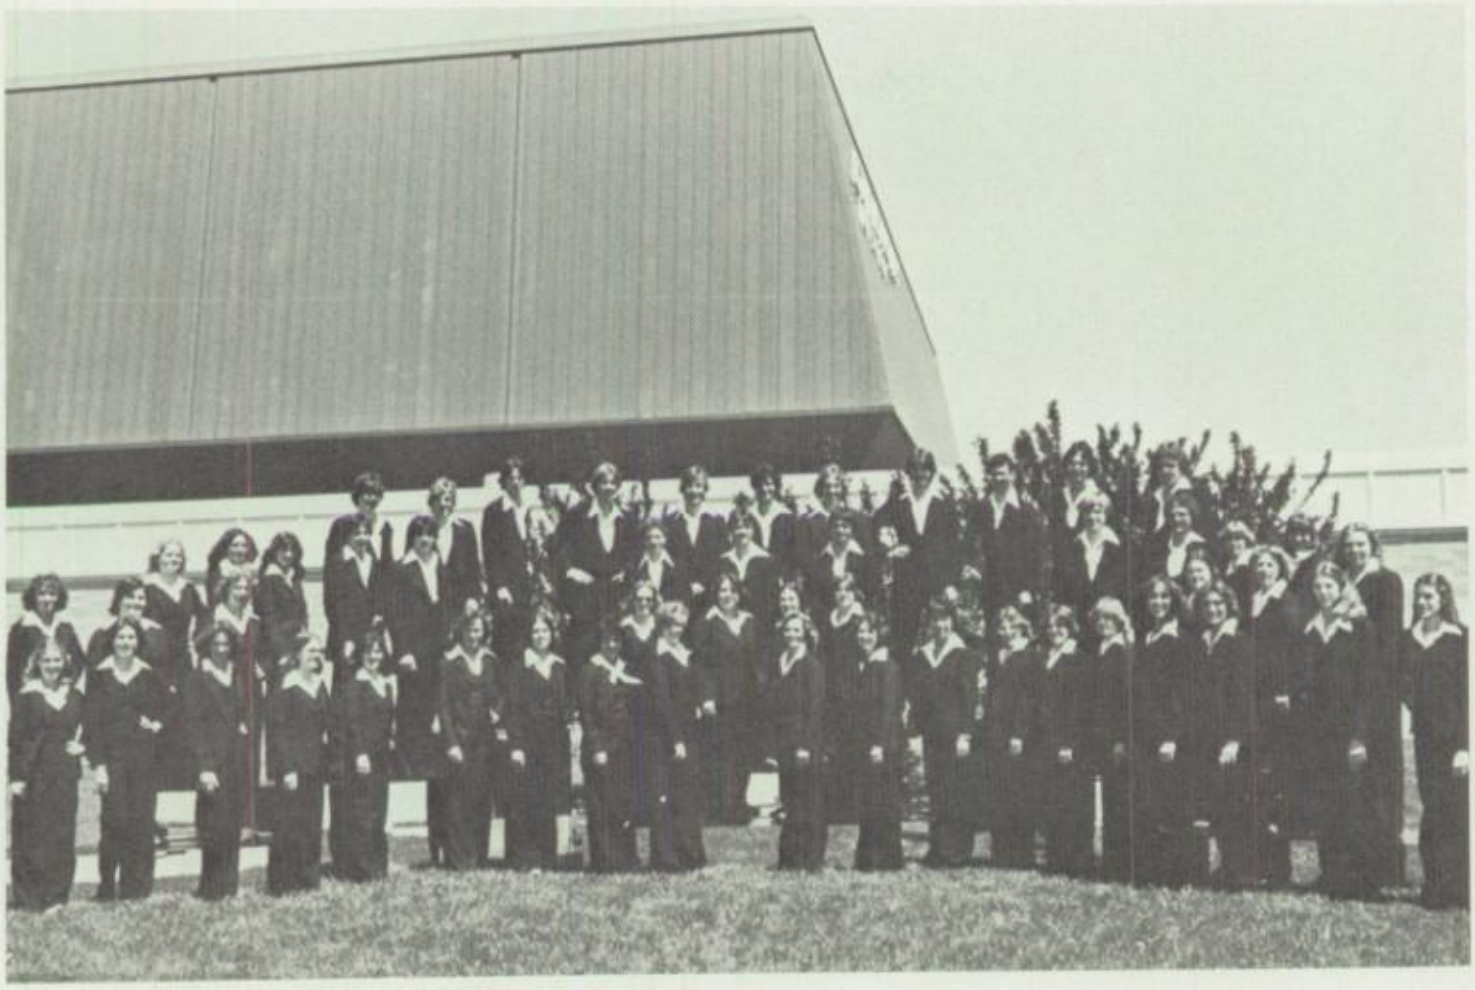
The handbell choir has been very active this year, performing on the Christmas record, concerts and many concerts and programs throughout the community. It was truly a group of talented "ding-a-lings."

SWING CHOIR **Places In**

Midwest Competition

The Swing Choir had a very active year beginning with dance classes and many community performances before Christmas. The Choir toured the elementary schools at Christmas and then, through highly competitive auditions were selected to be one of twenty swing choirs from the Midwest to participate in the Bishop Luers Midwest Swing Choir Contest at Fort Wayne. After many many hours of rehearsal and a convo for the school, the group captured 10th place in the midwest competition. The group continued performing throughout the community and sharing their musical talents with hundreds of others.

Concert Choir



The Concert Choir has had a tremendous year. Through much time and effort on their parts, as well as all the choral groups, North Montgomery cut its first Christmas record. They were a huge success in the fall variety show. The group continued to achieve top vocal qualities as was proven by their first place rating at State choral contest in the spring.

TEAM GOALS: "WIN CHAMPIONSHIPS"

This was a year of many first championships for the Charger Harriers, who established a 13-1 record their best season ever. First championships include; The Charger Classic, The Sagamore Conference, The Frankfort Invitational, and Montgomery County. Also this was the first Charger cross-country team to compete in the I.H.S.A.A. Regional, having finished in third place at the sectional. Stu Weliever, (left) in winning the Charger Classic title exhibits the effort he used that enabled him to break the school record for the 2½ mile course with a 12:30.04 clocking. As was the case most of the season this is the rude awakening view, (right) that many of our opponent's harriers saw, of the hard working, front running Chargers.

Susan Craft shows good form.

The Women's Varsity Swim Team became the surprise of the Western Boone sectional as they charged to a fourth place finish in a field of 12 teams. In the performance the team advanced three entries to compete in state competition.

The medley relay team of Kris McDonald, Julie Struck, Cathy Airey, and Rhonda Barnett set a school record as they qualified for state competition. Struck set a new breaststroke record on her way to the state meet. Michelle Horney represented North Montgomery in the state diving competition. School records were also set in the 50 and 100 yard freestyle events by Rhonda Barnett.

Boy's Tennis Team Of 1978-79

The tennis season was one that could have been better. We always seemed to come up short in the tie breaker. Many close matches slipped away, but the fighting spirit remained until the last point was played.

Seniors Al Enlow and Dan Barnhart provided the needed guidance and leadership to their team. Al was the captain number one singles player, and leader of the team. Dan rotated in the number 2 and 3 singles position and always provided the team with some very necessary encouragement.

Next year most of the faces will return with the exception of 3 very supportive seniors: Sis Bane, Pam Peebles and Janet Young. Super season Gals!!

The performance of the 1978-79 swim team was greatly enhanced when four non-swimming Juniors decided to make the pool their winter residence during their Senior year.

Tim Hill, Shawn McDowell, Craig Wilson, and Mike Hayes gave the team some added winning power, and made the season a successful one.

Co-Captains Tim Hill and Scott Odle kept the raucous 1978-79 team motivated in a positive direction. As a result, personal times improved for everyone.

Sophomore high point scorer John Lester set school records in the 200 I.M. and the 100 Breast stroke.

As shown by Coach Kosinski, the team had its ups & downs

On March 14, 1979, the Athletic Boosters held a Donkey Basketball game to help raise money for the athletic fund. The coaches of North Montgomery High School and surrounding Jr. High Schools participated in this first time event. They included Mr. Crowe, Mr. Kriston, Mr. Walke, Mr. German, and Mr. Grasch. One student, Joe Enlow, also lent his services to help raise money.

This proved to be an evening of fun and laughter for coaches as well as spectators.

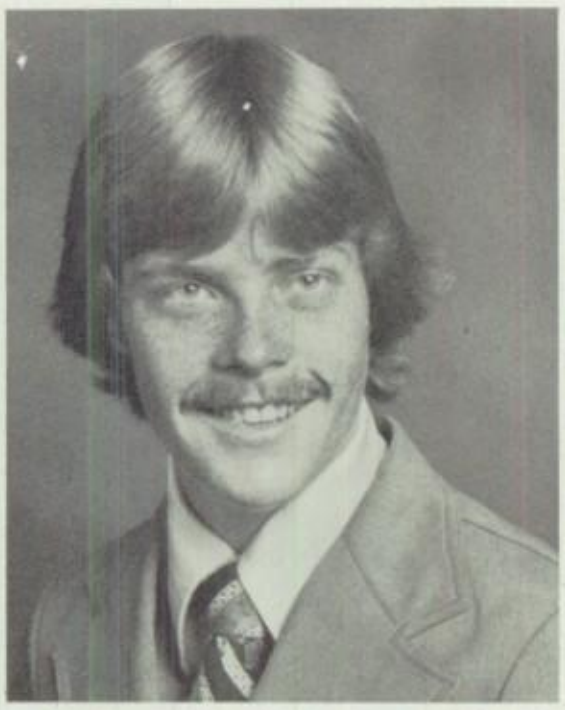
MOTTO
Study the past; live the present; create the future.

Oh, we love the halls of Ivy that surround us here today
And we will not forget, tho we be far, far away.
To the hallow'd Halls of Ivy every voice will bid farewell,
And slumber off in twilight like the old vesper bell.
One day a hush will fall, the footsteps of us all will echo down the hall and disappear.
But as we sadly start our journeys far apart, a part of every heart will linger here in the sacred halls of Ivy.
Where we've lived and learned to know, that through the years we'll see you in the sweet afterglow.



February 28, 1961
October 19, 1978

In memory of Steve Smiley whose death early this year made us realize just how precious time is. Although he is not with us, we will not remember the days... we will always remember the moments...

It is a special honor that the 1978-79 yearbook staff dedicate this yearbook to a well respected man, Mr. Kenneth Dickerson. Mr. Dickerson has been here at North Montgomery since the opening of the school in 1971. He received his B.S. degree at Central Normal College and his M.S. degree in business at Purdue.

Mr. Dickerson has spent countless hours helping his students. For these never ending efforts he has received "Teacher of the Month" as well as the most "Influential Teacher" of 1977.

So it is with much gratitude that we dedicate this yearbook to Mr. Dickerson and extend our thanks for the many years of devotion and dedication he has given this school.
